

WRKETTING

The image features the word "WRKETTING" in a stylized font. The letters "WR" are rendered in a bold, dark red, sans-serif font. The remaining letters "KETTING" are in a thin, dark grey, outlined, sans-serif font. Below the word, there is a red graphic element that resembles a stylized letter "R" or a pair of glasses. It has a horizontal bar at the top that tapers to points on both sides, and a vertical stem that curves at the bottom into two rounded shapes, similar to the lenses of a pair of glasses.
